FROM CLOTHES COLLECTION TO DEVELOPMENT AID
YOU donate your surplus clothes and shoes
WE collect the clothes and raise the funds
TOGETHER we support community health programs, tree-planting, education, food production for the poorest people on the globe

The picture displayed on our containers is from India, highlighting the need for clean water. Today, 884 million people don't have access to clean drinking water and one of the Millennium Goals is to halve this number by 2015.

For the past seven years Planet Aid UK has supported Humana People to People's work in India. One of the projects supported is the Harit Sankalp program, which mobilised 4,000 families in 15 villages in Behror to get clean water and to
