## Covid-19 Coronavirus Parish Support

### **An important message from your Parish Council**

Cosgrove Parish Council is coordinating a parish-wide response to the Covid-19 Corona Virus emergency based on the latest guidance issued by Public Health England. Our response is to provide a safety net for residents who may need help, for people homeworking, or being advised to self-isolate.

The biggest asset any community has at a time like this is good neighbourliness. We are very fortunate that there is an abundance of this across the Parish. Anyone needing help with chores such as shopping, collecting medication or posting letters etc or maybe just a friendly phone call is likely to find it easier to communicate with friends, family or neighbours in the first instance.

### **Cosgrove Coordinated Support**

In addition to family, friends and good neighbours a network of volunteers able to offer help and support has been put together. Behind the scenes a WhatsApp group has been established with the aim of communicating any required help across the volunteers in order to get the necessary help and support sorted.

### **I would like to be a volunteer, what do I need to do?**

If you would like to become a volunteer then please contact one of the following volunteer coordinators.

Coordinator Name	Mobile Number	Email Address
Wayne Smith	07427 695440	wayne.smith@cosgroveparishcouncil.org.uk

You will be asked to provide your name, address and contact number. You will then be added to the WhatsApp group. Once part of the group, and when a request for help is received, it may be you that is able to assist in the matter and be part of the solution.

### **How do I ask for help?**
